

## **Blind Draw Tournament on 8/20**

Just \$5/player to play

Tournament held at Flyers

### **Format**

Players will be grouped into 4 “levels” based on results from the summer. This is open to all players, so anyone coming in that did not play in the league will be ranked by Dave. All players listed from top to bottom (based on standings), then evenly split into 4 groups. Once that is done, one player from the top group is randomly paired with a player from the bottom group. Players in group 2 are randomly paired with players in group 3.

100% payout at this tournament. No need to pay your entry in advance, you can enter the night of the tournament.

Players have until 6:50pm to show-up and register. Games will begin around 7pm.

If it rains, this tournament may be cancelled.
